

accel

**Empowering
individuals who
have disabilities
and their
communities by
helping them
develop their
unique gifts.**

22-23
**Annual
Report**

Our ultimate goal is to help individuals who have disabilities achieve **a life of self-confidence and independence**, something that all people—regardless of ability level—deserve.

High Fives All Around

A few highlights from our best year yet

- **60,000 square feet of new flooring that increased accessibility** for all students
- **5 students gained greater independence** by no longer requiring one-on-one support
- **2 new Bista early intervention clinics** were opened in high-need neighborhoods in Tucson and Manara
- The ACCEL community saw a **200% increase in volunteers** across campuses
- **28 school districts across Arizona** used ACCEL's programs to empower their students to achieve their goals
- Adult Service members participated in a total of **11,227 hours of community experiences**
